## Charging Instructions

- Ensure your battery is the correct size for your vehicle.
- This battery is sealed at the factory and is maintenance-free. DO NOT attempt to open to fill this battery.
- Charge the battery fully before installing.
- Never charge the battery with a charger that delivers more than 1.8 amps of current. Larger chargers will harm the battery.
- For optimum performance, UPG recommends charging and maintaining with the Adventure Power® Maintainer 1000 battery charger.
- This charger maintainer can remain connected to the battery indefinitely.
